Skye can delight walkers and scramblers at every turn, from sea stacks to fell tops; corries to rugged cliffs and plenty in between. However, the routes in this guide range in length from 2 to 23km, so while there are opportunities for novice walkers, routes can also be combined for longer trails and difficult scrambles.

Alongside detailed descriptions and OS maps for every route, the guidebook also includes practical information essential to making the most out of a visit to Skye.
