Tom Wolfe

La baby aerodinamica color karamella (I Timoni) (Italian Edition) Tom Wolfe

Diretto, avvincente, inconfondibile: è lo stile di Tom Wolfe, considerato, proprio grazie a "La baby aerodinamica color karamella", il padre nobile del New Journalism. La "baby aerodinamica" a cui si riferisce il titolo è un modo di personalizzare le automobili, ma si tratta soltanto di uno dei miti moderni affrontati da Wolfe in questa raccolta di reportage, vero repertorio di mode sociali scritto nei primi anni Sessanta. Lucido e implacabile, Wolfe racconta la ricerca dello svago a ogni costo e la guerra di tutti contro tutti, per poter affermare davanti allo sguardo degli altri il proprio desiderio di apparire "arrivati". La penetrante capacità di analisi dell'autore rivela come in questo mondo i valori tradizionali siano stati progressivamente sostituiti da contenitori dai colori brillanti, ma dai confini irrimediabilmente incerti.
