Please note that the ebook (kindle) version of *The Witch Narratives Reincarnation* is named *The New Mexico Witches Collection*. This paperback contains both the prequel and Book 1 of the ebook (kindle) versions which are respectfully entitled *Witch of the Black Rose* and *The Witch Narratives Reincarnation*.

The Witch Narratives Reincarnation (Land of Enchantment Trilogy BOOK 1) is a touching novel about the unlikely devotion of a devout Catholic and a reluctant witch. A book about loyalty, friendship, and the depth of love.

"Sticks and stones may break my bones, but humanity will never break me," -- so claims the witch, Salia, but she was born with a soft, all too human heart that even being an outcast won't harden. Salia is a sister, granddaughter and daughter of witches. And she is a half-breed.

There is a portrait in the house at the bottom of Witch Hill. Salia looks out of the picture with haunted eyes. She is pale because her mother pinches her arm. But it is Salia's Native American grandmother who dominates the picture. She is 110 years old but appears to be a teenager, holding out in her hand an ordinary-looking rock, a *pedra imán*, a rare shape-shifting stone, allowing her to bathe like in the fountain of youth, to be immortal while others around her age.

The *pedra imán* is a magical rock that everyone lusts after for different reasons - to be beautiful or thin, powerful, or to live forever. Salia just wants the rock to become someone else. She longs to be ordinary like her only friend, Marcelina.

The Witch Narratives Reincarnation Book 1 begins the saga of Salia and Marcelina, a witch and a Catholic, who form a lasting bond.

A FEW INTERESTING FACTS - Did you know that?

- About 75% of the magic in *The Land of Enchantment Series* is practiced by Southwest witches.
- La Llorona, head of the Sisterhood of the Black Rose, is a legendary witch called "the weeping ghost". She is known throughout the Americas by tens of millions. She has been seen by many, even in present day, as she haunts the rivers, lakes and drainage ditches.
