In the Gospel According to John, people ask Jesus some unusual questions. Much of the first half of the gospel is structured around Jesus conversing with individuals or groups of people. Their questions, along with their discussions with Jesus surrounding the questions, make up the jumping off point for this study. Their questions help us explore what it means to ask our own.

Each session begins with an opening prayer, followed by the text of the day being read aloud. The group will enjoy a 5-7-minute video where Adam shares his thought on the Scripture and its "unusual" focus. The group will discuss the readings for the day then close with prayer.

The new and exciting aspect of this particular Bible study series is the blending of traditional weekly Sunday school with modern, daily-delivered digital content, which will keep readers connected with the material throughout the week. Between the daily communication and the group gatherings, participants will immerse themselves in the Good News.
