Healing through Deliverance: The Foundation and Practice of Deliverance Ministry Peter J. Horrobin
Jesus's ministry included not only preaching and teaching, points out British Bible teacher Peter J. Horrobin, but fully one-third of Christ's recorded healings involved deliverance. In this groundbreaking work, Horrobin urges believers to exercise the authority of Jesus in this often-ignored dimension. Through in-depth Scripture teaching, he demonstrates persuasively that the charge Jesus gave his disciples to heal the sick and cast out demons was a vital part of the Great Commission for the whole church for all time.

Formerly two volumes, *Healing through Deliverance* is now available in a single hardcover edition. It lays out the biblical foundation for the ministry of healing and deliverance. It also shows how people can become affected by demonic powers and offers keys for bringing about healing through deliverance. Readers will find practical guidelines for building and conducting a healing and deliverance ministry through the local church and in ministry and counseling centers. With this complete work, believers will be equipped to respond to all of God's call--to preach the gospel, heal the sick, and cast out demons.
