In High Places

Arthur Hailey

In High Places Arthur Hailey

#1 *New York Times* bestselling author Arthur Hailey takes readers into the highest echelons of government as two nations' leaders prepare for a third world war

A call from the US president to Canada's prime minister . . . An intimate reception at the Ottawa residence of Her Majesty's governor general . . . The arrival of a ship in Vancouver. Three seemingly unrelated events three thousand miles apart upset the balance of global power and alter the landscape of the free world. As Canada's prime minister, James Howden, works to ensure his nation's survival in a nuclear war, he faces another threat: a lawyer on a crusade for justice and truth. With two nations struggling to keep a lid on an explosive secret, Howden will undergo a crisis of conscience that leaves him fighting for his political life.

At once an electrifying novel of international politics during the Cold War and a cautionary tale about what can happen when men believe they are above the law, *In High Places* is Arthur Hailey's personal favorite of all his works.

From reader reviews:

Kyle Coffman:

This In High Places book is simply not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book will be information inside this e-book incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. That In High Places without we know teach the one who reading through it become critical in considering and analyzing. Don't always be worry In High Places can bring any time you are and not make your case space or bookshelves' come to be full because you can have it in the lovely laptop even mobile phone. This In High Places having great arrangement in word as well as layout, so you will not sense uninterested in reading.

Jimmy Torres:

In High Places can be one of your beginning books that are good idea. All of us recommend that straight away because this e-book has good vocabulary that could increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The article writer giving his/her effort to set every word into satisfaction arrangement in writing In High Places but doesn't forget the main place, giving the reader the hottest in addition to based confirm resource facts that maybe you can be one of it. This great information can easily drawn you into brand new stage of crucial pondering.

Geraldine Matson:

This In High Places is brand-new way for you who has attention to look for some information as it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know otherwise you who still having small amount of digest in reading this In High Places can be the light food in your case because the information inside this kind of book is easy to get by simply anyone. These books develop itself in the form that is certainly reachable by anyone, sure I mean in the e-book application form. People who think that in guide form make them feel drowsy even dizzy this e-book is the answer. So there is absolutely no in reading a reserve especially this one. You can find actually looking for. It should be here for an individual. So , don't miss that! Just read this e-book kind for your better life and knowledge.

Margaret James:

Reading a guide make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is prepared or printed or highlighted from each source which filled update of news. With this modern era like now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, new and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just trying to find the In High Places when you necessary it?
