**Kiss and Tell (T-FLAC Psi Unit: Night Trilogy Book 2)** Cherry Adair

She was looking for adventure.

Marnie Wright has seen more than her fair share of testosterone. Growing up with four overly protective brothers was one thing. Now a mountain man named Jake Dolan has invaded a peaceful day of soul-searching at her grandmother's secluded cabin. Sure, she was trespassing on his private property, but did he have to pull a gun on her? There's more to this longhaired soldier of fortune who calls himself the Tin Man, but she's not sure she wants to stick around to find out what. Then he stashes her in his secret lair--an underground techno-fantasy complete with security monitors and an arsenal--and Marnie realizes the guy is military, top secret military. He's also got the most beautiful mouth she's ever seen.

He could get her killed.
