Theodore Zeldin

Los placeres ocultos de la vida (Spanish Edition) Theodore Zeldin

Los viejos ideales parecen en nuestra época más agotados que nunca. Por ello el autor se propone en esta sugerente obra encontrar otros, ocultos, inexpresados u olvidados, a partir de cuestiones de muy diversa índole: ¿qué hacer ante la escasez de almas gemelas? ¿Cómo puede uno librarse de compañeros de trabajo que son un fastidio y de organizaciones que prosperan a base de generar estrés? ¿Cómo podrían hallar formas menos convencionales de expresar su desaliento los despreciados, los rechazados, los traicionados? ¿De qué modo las disputas entre –y dentro de– países, religiones y temperamentos podrían dar paso a una nueva actitud frente al desacuerdo? ¿Cómo puede el humor erosionar más e cazmente la hipocresía? ¿Cómo puede el anhelo de belleza ayudar a convertir cada vida en una obra de arte? ¿Cómo conseguir vivir en plenitud? Zeldin nos invita a mantener una conversación pausada y fecunda con el contenido de cada capítulo. Porque, como sostiene el propio autor, el hallazgo de vínculos insospechados entre individuos diferentes, entre opiniones aparentemente incompatibles y entre el pasado y el presente constituye uno de los primeros pasos en la senda que conduce a los placeres ocultos.
