**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

-- The third book of the **Mathematics in Action** series, Algebraic, Graphical, and Trigonometric Problem Solving, **Fourth Edition**, illustrates how mathematics arises naturally from everyday situations through updated and revised real-life activities and the accompanying practice exercises. Along with the activities and the exercises within the text, MathXL<sup>®</sup> and MyMathLab<sup>®</sup> have been enhanced to create a better overall learning experience for the reader. Technology integrated throughout the text helps readers interpret real-life data algebraically, numerically, symbolically, and graphically. The active style of this book

### **From reader reviews:**

#### **Donna Clark:**

Why don't make it to become your habit? Right now, try to ready your time to do the important take action, like looking for your favorite guide and reading a book. Beside you can solve your short lived problem; you can add your knowledge by the book entitled Mathematics in Action: Algebraic, Graphical, and Trigonometric Problem Solving plus MyMathLab/MyStatLab -- Access Card Package (4th Edition). Try to make the book Mathematics in Action: Algebraic, Graphical, and Trigonometric Problem Solving plus MyMathLab/MyStatLab -- Access Card Package (4th Edition) as your good friend. It means that it can being your friend when you experience alone and beside those of course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you a lot more confidence because you can know almost everything by the book. So , let me make new experience as well as knowledge with this book.

#### **Florence Booth:**

Book is to be different for every grade. Book for children right up until adult are different content. As you may know that book is very important for all of us. The book Mathematics in Action: Algebraic, Graphical, and Trigonometric Problem Solving plus MyMathLab/MyStatLab -- Access Card Package (4th Edition) ended up being making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The guide Mathematics in Action: Algebraic, Graphical, and Trigonometric Problem Solving plus MyMathLab/MyStatLab -- Access Card Package (4th Edition) is not only giving you far more new information but also being your friend when you experience bored. You can spend your own personal spend time to read your publication. Try to make relationship using the book Mathematics in Action: Algebraic, Graphical, and Trigonometric Problem Solving plus MyMathLab/MyStatLab -- Access Card Package (4th Edition). You never feel lose out for everything should you read some books.

#### **Clarence Lowery:**

Is it an individual who having spare time then spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Mathematics in Action: Algebraic, Graphical, and Trigonometric Problem Solving plus MyMathLab/MyStatLab -- Access Card Package (4th Edition) can be the solution, oh how comes? A fresh book you know. You are consequently out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these books have than the others?
