**In the night class, attendance can be fatal**

In a California high school, a signup sheet mysteriously appears on the bulletin board: NIGHT CLASS. No course description, no details, no clues. Four kids, each with their own individual problems and desires, write their names on the sheet. Andrew, the handsome, seemingly perfect jock, signs up first, hoping that the mysterious course will finally propel him into the life of fame he craves. Mariah's intense crush on Andrew inspires her to follow suit, for a chance that her romantic fantasy will come true. Autumn, beautiful and popular but deeply dissatisfied, adds her name to the class list in an effort to escape the claustrophobic clutches of the cool clique at school. Ned, brainy, awkward, and insecure, signs up with a desperate dream of becoming popular. These students will discover whether the night class is a place where dreams come true—or where nightmares are made real.
