Bass, Pike, Perch and Others: The Classic Reference Guide to Eastern North American Game Fish

James A. Henshall

A North American fishing handbook from one of the great masters of the sport.

First published in 1903, *Bass, Pike, Perch, and Others* remains a reliable resource for fishing enthusiasts in North America. As part of the American Sportman's Library, this handbook was set apart as an important text on sporting subjects from an American perspective, provided here by Dr. James A. Henshall, who spent decades studying fish and fishing. Henshall, called both the "Apostle of the Black Bass" and the "Dean of American Anglers," is one of the most important conservationists and fish culturists in our nation's history, best known for originating bass fishing. Here, Henshall provides information on all the game fish families of the United States east of the Rocky Mountains, including:

- Sunfish
- Bass
- Perch
- Grayling
- Drum
- Minnow
- Catfish
- Grouper
- Cavalla
- Grunt

This guide, complete with the original black-and-white illustrations and personal anecdotes from Henshall, is a must-have classic for any serious angler.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
