Beethoven Forum, Volume 6

Beethoven Forum

Beethoven Forum, Volume 6 Beethoven Forum

Glenn Stanley opens Beethoven Forum 6 with a consideration of the “piano sonata culture” of the late eighteenth century and how Beethoven’s sonatas influenced this culture. Lawrence Kramer explores the "Tempest" sonata and the way it exemplifies "one of the leading intellectual projects of the Enlightenment, the project of speculative anthropology or 'universal history.'" Elaine R. Sisman examines the "lyrical," "small-scale" sonatas of Beethoven’s middle period in relation to his renewed preoccupation with the idea of "fantasia." Nicholas Marston concludes the volume’s consideration of the piano sonatas with a study of the development of a musical idea in the "Hammerklavier" sonata.

Birgit Lodes examines the relationship between the human and the divine as they are represented in the Gloria of Beethoven’s great mass, the Missa solemnis. In a second article on this late masterpiece, Norbert Gertsch describes a subscription copy of the Missa solemnis—a copy that Beethoven had corrected—and its significance for a future scholarly edition of the work.

Maynard Solomon offers a commentary, transcription, and translation of a papal document concerning the marriage of Beethoven’s great-uncle Cornelius. In a review article, Nicholas Marston discusses the recent edition of the Landsberg 5 sketchbook and future prospects for sketchbook editions. Robert Levin concludes the volume with a review of *Performing Beethoven*, edited by Robin Stowell.
