### **Further Papers on Dante.** Dorothy L. Sayers

Introducing the Dante Papers Trilogy: Introductory Papers on Dante Further Papers on Dante The Poetry of Search and the Poetry of Statement Dr. Sayers' Further Papers on Dante will be warmly welcomed by all who read her Introductory Papers on Dante and by those hundreds more who want to know more about this astonishing poet newly disclosed to them by her vivid Penguin translation of the Inferno and the Purgatorio. The first series dealt mainly with the theological and ethical aspects of the Divine Comedy. The present one is more heterogeneous and pays more attention to the literary and poetic aspects of Dante's work. Here and there an attempt is made to rescue Dante from the exalted isolation in which he stands, and to compare with him other poets writing on similar themes. 'To label any poet hors concours is in a manner to excommunicate him' This is not a work of popularization, but Dr. Sayers has in a high degree the ability to make things plain and readable for the general reader while at the same time revealing much that scholars may have overlooked.
