Raising children these days can be daunting. But if anyone understands why children behave the way they do, it's Dr. Kevin Leman. Equipping parents with seven principles of Reality Discipline--a loving no-nonsense parenting approach that really works--this internationally known psychologist, author, and father of five shows parents how to

- understand why children misbehave and what to do about it
- foil finicky eaters, turn off temper tantrums, and minimize sibling rivalries
- set suitable allowances, curfews, and privileges
- and much more

Real-life examples, questions at the end of each chapter, and a discussion guide for individual or group use make this book an engaging read for parents, teachers, and child care providers. With over a million copies in print, readers can't go wrong with this classic and continual best-seller-now in a fun, new package.
