Bullying in the Workplace: An Occupational Hazard Helene Richards, Sheila Freeman

It is estimated that one in six workers are targets of bullying, and 75 per cent of those workers eventually leave their workplace. This book is aimed at anyone who wants to know how to learn more about juggling the personalities in their workplace and how to make it a safer environment. It provides a practical guide to all aspects of bullying containing statements from victims, perpetrators, employers or others upon whom bullying has impacted and input from psychologists, medical practitioners, lawyers, barristers, employers and human resource managers.
