How to Draw Portraits, Faces and Heads Mark Bergin

Every person is unique, and in this book you'll find the skills to draw each person's unique facial features, like the expression on their face or the years of experience held in their wrinkles. This book also features tips on drawing accessories like spectacles and hats. The How To Draw series takes a highly visual and practical approach to drawing, featuring step-by-step instructions for each art project. Duotone lines highlight each step. Each title includes information on the drawing materials you can use and where to use them most effectively. Pencil, pen, crayon, paints and charcoal and more are all covered in detail. The series covers a comprehensive range of rudimentary techniques - with sections on materials, composition and perspective. The How To Draw series is an excellent way to introduce the concepts of drawing to child and adult alike.
