Quilting is a billion dollar industry, with more and more households having at least one quilter in the family. With such an enthusiastic (and growing) audience, it's no wonder that internationally known textile designer and author Kaffe Fassett is announcing the 14th book in his best-selling quilting series. In "Kaffe Quilts Again" readers are treated to 20 all-new versions of Kaffe's favorite patterns--each using the latest range of unique and beautiful Rowan fabrics. Photographed in Bulgaria, against a backdrop of splendid painted houses and wedding-cake churches, each quilt and pattern in the book is an inspiration of vivid color and charm. This flawless how-to guide features an array of new fabrics and expanded colors, and provides complete instruction for creating museum-quality quilts that will become family treasures.
