The Pope's War: Why Ratzinger's Secret Crusade Has Imperiled the Church and How It Can Be Saved Matthew Fox

An internationally acclaimed theologian and member of the Dominican Order, Matthew Fox was forbidden to teach by then-Cardinal Ratzinger in 1988 and was later dismissed from the order. His experiences make him uniquely qualified to write about Pope Benedict XVI. Fox delivers a blistering indictment of Ratzinger, from his early career to his years as chief Inquisitor, from his protection of reactionary groups like Opus Dei to his role in covering up the pedophilia crisis. But Fox also sets forth his vision for a new Catholicism--one that is truly universal and celebrates critical thinking, diversity, and justice.

Author Matthew Fox appeared on Democracy Now on February 28, 2013. See the interview here:
