**A Mosaic of Believers: Diversity and Innovation in a Multiethnic Church** Gerardo Marti

Mosaic in southern California is one of the largest and most innovative multiethnic congregations in America. Gerardo Marti shows us how this unusual church has achieved multiethnicity, not by targeting specific groups, but by providing multiple havens of inclusion that play down ethnic differences. He reveals a congregation aiming to reconstruct evangelical theology, personal identity, member involvement, and church governance to create an institution with greater relevance to the social reality of a new generation.
