Education and the Second World War: Studies in Schooling and Social Change (Routledge Library Editions: Education)

Education and the Second World War: Studies in Schooling and Social Change (Routledge Library Editions: Education)

This was the first book which globally surveyed the impact of the Second World War on schooling. It offers fascinating comparisons of the impact of total war, both in terms of physical disruption and its effects on the ideology of schooling. By analysing the effects on the education systems of each of the participant nations the contributors throw new light on the responses made in different parts of the globe to the challenge of world-wide conflict.
