Flower Mandala Coloring Book For Adults: 30 Easy and Stress Relieving Patterns For Adults To Color Sandra Bacon

Here you will find 30 traditional mandala flowers in beautiful and easy designs for your coloring pleasure. In the style of the easy mandala coloring books I've created, you have flowers that are easy to color in different designs that are absolutely beautiful, and as usual I've included 2 extra designs which brings the total to 32 pages.

Even though there are no set rules for coloring your mandalas, just be sure to infuse them with the vibrant color of flowers. There is no right or wrong way to color. Just use whatever colors appeal to you and go at your own pace.

The one thing I do want to mention is that if you use a marker to color, there could be bleeding, especially on the back of the paper. If you use colored pencils, you can layer and blend your colors much easier, and erase and get into the smaller spaces that markers can't reach.
