In the Land of Punctuation

Christian Morgenstern

In the Land of Punctuation Christian Morgenstern

Written in 1905 by the German poet Christian Morgenstern, *In the Land of Punctuation* is a darkly comic linguistic caprice that holds a resonant mirror to our times. Situated at the crossroads of language, design, and politics, this illustrated edition is a unique picture book for adults. Translated faithfully by Sirish Rao, with typographic illustrations by Rathna Ramanathan, this is a brilliantly inventive dance of text and image.

*The peaceful land of Punctuation
is filled with tension overnight*

*When the stops and commas of the nation
call the semi-colons 'parasites'*
