## Past My Defenses (Taming the Pack Book 1) Wendy Sparrow

Vanessa is the fastest Lycan around. In wolf form, the only threat she can't outrun is her allergies. After a feline dander-bomb takes her down, she wakes up naked in a cage staring at a hot park ranger who had no idea what he'd trapped. But oooh, he smells so good. *Mine*.

Dane hoped to tame the silver wolf in his kennel, but all bets are off with the deliciously sweet Vanessa on two legs. Her temper makes his pulse race, and he can't escape the feeling they belong together.

They're hot as a forest fire even before they scent-match, but Glacier Peak's Alpha considers Dane a danger to the pack. Meanwhile, Lycans are being poached, and Vanessa has been targeted. Dane will have to keep her close to protect her, but with Vanessa in heat and mad to mate, who will protect him?
