**Standards-Based Learning for Students with Disabilities** Marsha Craft- Tripp, Allan Glatthorn

This book describes in detail how educators can apply curriculum standards, performance standards and opportunity standards to improve education of special learners. It provides practical examples which show you how to develop and implement standards-based IEPs, use curriculum standards and benchmarks to develop long term plans, develop performance tasks for students with disabilities, and develop curriculum units for students with disabilities. This book shows you that students with disabilities can profit from and be involved with the types of standards currently used with other students.
