## **The Cat (Dedalus Original Fiction in Paperback)** Pat Gray

Gray's reworking of the Animal Farm concept brings in a post-Thatcherite twist. Having peacefully co-existed with his friends Mouse and Rat (the latter carries a briefcase and wears Italian suits), the Cat's owners suddenly leave him to fend for himself. He then has to fall back on feline instincts, placating the furry packed lunches which surround him with promises of consumer goods and burrow ownership. A stylish and witty parable for the Nineties. ?Scotland on Sunday The Cat will appeal to lovers of George Orwell's Animal Farm.
