*John Russell Taylor*

**Anger and After (Routledge Revivals): A Guide to the New British Drama** John Russell Taylor

When it was first published in 1962, *Anger and After* was the first comprehensive study of the dramatic movement which began in 1956 with the staging of John Osborne's *Look Back in Anger* and has since brought forward such dramatists as Brendan Behan, Harold Pinter, N. F. Simpson, John Arden and Arnold Wesker. Thoroughly revised in 1969, this book remains important reading for theatre students in need of a comprehensive and authoritative guide to post-Osborne drama in Britain.
