One of the hottest consumer trends is the new importance on outdoor living, and nothing brings the outdoor home to life like a greenhouse and other accessories to help grow and nurture landscape greenery. This book has plans and step by step for constructing and appointing greenhouses of several varieties, from glass-wall to hoophouse; some from kits, some from scratch; also includes plans and steps for other garden structures and accessories. Includes projects suitable to homes and landscapes of all types—urban, suburban, and rural.
