Complete Life Drawing Course

Diana Constance

Complete Life Drawing Course Diana Constance

“Lively and accessible...progressing nicely from quick-pose sketches to more ambitious interpretations of both the character and the form of the person one is drawing...covers a variety of media and explores light and shadow, clothing and drapery....[Constance’s] use of cropping, pastels, collage, and monotypes attests to her preference for creative expressions....an outstanding book for public libraries.”—*Library Journal*.
