## **Examining Billy Graham's Theology of Evangelism:** Thomas P. Johnston

Examining Billy Graham's Theology of Evangelism' was written to advance an unbiased understanding of Billy Graham's theology and practice. Theological examination of Graham's sermons revealed four distinct eras in his theology and practice: -The Early-Early Graham (pre-1949) -The Early Graham (1949-1955) -The Middle Graham (1955-1965) -The Later Graham (1965-present) In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism, theological nomenclature, and cooperative strategy. No literature on Billy Graham discusses, in combination, this evolution in Graham's theology and practice. You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ.
