The Cornerstone Biblical Commentary series provides up-to-date, evangelical scholarship on the Old and New Testaments. Each volume is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text. The commentary series has been structured to help readers get at the meaning of Scripture, passage by passage, through the entire Bible. Each Bible book is prefaced by a substantial book introduction that gives general historical background important for understanding. This is volume 5b in the series.
