## **Transient Light: A Photographic Guide to Capturing the Medium** Ian Cameron

Learn to use natural light to take your photography to the next level. That's the idea behind this beautifully illustrated guide to shooting landscapes. Renowned photographer Ian Cameron reveals his secrets to capturing the outdoor images you want. Cameron features many of his own breathtaking photos, and explains the details of how he created each one. He shows why no computer tricks are necessary—just an understanding of how to put yourself at the right place at the right time, how and when to use filters, and how to select and manipulate exposure lengths to get great results.
