Wandering Stars

Sholem Aleichem

Wandering Stars Sholem Aleichem

The first complete translation of an epic love story by the creator of Tevye in *Fiddler on the Roof*

Next year marks the 150th anniversary of the birth of the great Yiddish humorist Sholem Aleichem as well as the 100th anniversary of the publication of *Wandering Stars*, his sprawling love story spanning ten years and two continents, and set in the colorful world of the Yiddish theater.

In a Russian shtetl at the end of the nineteenth century, Reisel, daughter of a poor cantor, and Leibel, son of a rich man, fall under the spell of a traveling Yiddish acting company. Together they run off to join the theater but quickly become separated. Reisel goes on to become Rosa Spivak, concert star, and Leibel becomes Leo Rafalesko, theatrical sensation. Kept apart by their own successes and by the managers who exploit their talent, they tour the world until their wanderings bring them both to New York. An engrossing romance, a great New York story, and an anthem for the theater, *Wandering Stars* is a long-lost literary classic, rediscovered here in a vibrant new translation.

From reader reviews:

Annette Puente:

Book is to be different for every grade. Book for children right up until adult are different content. As you may know that book is very important normally. The book Wandering Stars had been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The reserve Wandering Stars is not only giving you a lot more new information but also to get your friend when you really feel bored. You can spend your personal spend time to read your e-book. Try to make relationship with all the book Wandering Stars. You never truly feel lose out for everything when you read some books.

Marian Perkins:

Here thing why this kind of Wandering Stars are different and dependable to be yours. First of all examining a book is good however it depends in the content of the usb ports which is the content is as delicious as food or not. Wandering Stars giving you information deeper including different ways, you can find any publication out there but there is no book that similar with Wandering Stars. It gives you thrill examining journey, its open up your own personal eyes about the thing in which happened in the world which is maybe can be happened around you. You can bring everywhere like in park, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of Wandering Stars in e-book can be your alternative.

Mindy Martinez:

As we know that book is essential thing to add our knowledge for everything. By a book we can know everything we want. A book is a pair of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This publication Wandering Stars was filled concerning science. Spend your spare time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading the book. If you know how big advantage of a book, you can truly feel enjoy to read a e-book. In the modern era like currently, many ways to get book that you just wanted.

Leslie Woodson:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Wandering Stars can make you feel more interested to read.
