When Henry receives a letter from an elderly taxidermist, it poses a puzzle that he cannot resist. As he is pulled further into the world of this strange and calculating man, Henry becomes increasingly involved with the lives of a donkey and a howler monkey—named **Beatrice and Virgil**—and the epic journey they undertake together.

With all the spirit and originality that made *Life of Pi* so beloved, this brilliant new novel takes the reader on a haunting odyssey. On the way Martel asks profound questions about life and art, truth and deception, responsibility and complicity.
