Demented P. L. Bearden

[De-ment-ed]: 1. Mad, insane. 2. Entirely irrational; completely unreasonable or lacking any sense of the consequences of actions taken. After years of childhood abuse from his crippled old man, Seth's world was a dark menagerie of violence. He knew what he wanted to do was wrong, but he couldn't stop himself. He was his own worst enemy - yet, he was his only friend; until he met Lynn. She changed everything for Seth. The darkness in his life started to turn to light when he fell for her . . . the only woman he would ever love. Dreadful thing; she didn't love him back. But that didn't matter to Seth; he'd waited long enough. Now, he would have it his way, no matter what!
