A Christmas voyage to London . . . Six months ago, Alexa Gordon's engagement transformed from happiness to betrayal. Christmas is on the way. The last thing she wants to do is spend the holiday in mourning for being so foolish with her emotions. A spontaneous, soul-reviving trip to London is just what she needs. Becomes a mission of the heart . . . Peter Colby, a treasured friend from Alexa's study abroad term in England years ago, welcomes her back to the UK with open arms. He knows she's still reeling, but he's determined to show her a proper, fulfilling love that will keep her at his side forever. And God's plan unfolds. But they live half the world apart, and Alexa is shattered by past pain. Can Peter help her find the courage she longs for? Can he convince Alexa that finding home isn't just about logistics, it's about the power of the heart?
