Ideology and Curriculum

Michael W. Apple

Ideology and Curriculum Michael W. Apple

To celebrate the 25th anniversary of its publication, Michael W. Apple has thoroughly updated his influential text, and written a new preface. The new edition also includes an extended interview circa 2001, in which Apple relates the critical agenda outlined in *Ideology and Curriculum* to the more contemporary conservative climate. Finally, a new chapter titled "Pedagogy, Patriotism and Democracy: Ideology and Education After 9/11" is also included.
