## **Russell Wilson: Standing Tall** Art Thiel, Steve Rudman

In April 2012, after being selected by the Seattle Seahawks in the third round of the NFL draft, Russell Wilson wasn't even guaranteed the starting quarterback spot for the Seahawks. Two years later, he led Seattle to the playoffs in his two years starting for the team, and led the Seahawks to their first Super Bowl win in franchise history. Along the way, Russell silenced doubters who said that he was too short to be an NFL starting quarterback, marking career milestones such as the most regular-season wins by a quarterback in his first two seasons, with 24, and being named the 2012 Pepsi NFL Rookie of the Year. This commemorative book examines the young phenom's career from North Carolina State to Wisconsin, with a detour into professional baseball, and through the Super Bowl XLVIII win.
