Crafting Tilda's Friends Tone Finnanger

A whimsical collection of 30 fun sewing and papercraft projects from Tilda craft designer and bestselling author Tone Finnanger. Have fun creating bunnies, cats, birds, frogs, snails, dragonflies and bumblebees, and then give your cute characters their own personality with rosy cheeks and sweet little fabric noses. Make Tilda garden angels with pretty sun hats to sit among plants on a windowsill or sew them together to create a garland. Make an adorable frog wreath to hang on your wall, sew a helpful snail pincushion or a treehouse key holder. Learn applique techniques by adding bird, birdhouse and dragonfly motifs to cushions, table mats, coasters, blankets and bags. Experiment with painted motifs and stencilling to create fun signs and picture frames.

From reader reviews:

James Williams:

People live in this new time of lifestyle always try to and must have the free time or they will get lot of stress from both daily life and work. So , if we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we question again, what kind of activity are there when the spare time coming to you of course your answer will unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, the actual book you have read is Crafting Tilda's Friends.

Susie Vadnais:

Playing with family in the park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Crafting Tilda's Friends, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't obtain it, oh come on its referred to as reading friends.

Kristi Duncan:

In this particular era which is the greater individual or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple method to have that. What you are related is just spending your time little but quite enough to experience a look at some books. One of several books in the top collection in your reading list is Crafting Tilda's Friends. This book that is qualified as The Hungry Slopes can get you closer in becoming precious person. By looking way up and review this e-book you can get many advantages.

Ryan Barrett:

What is your hobby? Have you heard which question when you got scholars? We believe that that query was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And you also know that little person such as reading or as studying become their hobby. You should know that reading is very important as well as book as to be the issue. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You discover good news or update concerning something by book. Many kinds of books that can you choose to adopt be your object. One of them are these claims Crafting Tilda's Friends.
