**Desenvolvimento regional: um problema político (Portuguese Edition)** José Otamar de Carvalho

Desenvolvimento regional: um problema político vem a público em época oportuna, na medida em que contribui para a discussão da política econômica brasileira, notadamente a orientada para o desenvolvimento regional. Trata, pela primeira vez, em conjunto, dos dois mais importantes experimentos de desenvolvimento regional realizados no Ocidente: o da Cassa per il Mezzogiorno e o da SUDENE. Analisa-se aqui o processo de esvaziamento político e institucional a que foram submetidas a “Cassa” e a SUDENE, destacando-se suas causas e consequências para a economia dessas regiões. Apresenta as perspectivas de renovação da SUDENE, dependentes de decisões eminentemente políticas, incluindo também o exame do atual Sistema Brasileiro de Planejamento.
