## **Elementary** Ben Pasley

This book is a journey toward the simplest of teachings from the first followers of Jesus. These great people had distilled the fundamentals of a strong and simple faith in God, and rehearsed them as elementary. With so many voices, trends, and directions reflected in modern Christianity, Ben Pasley returns to the most elementary teachings of the Christian faith to help us all clear our minds toward the simplicity of the Kingdom of God. Some might consider these simple teachings from Hebrews 6 baby steps, while others may be astounded at the depth of their implications for Christianity today. Jesus asks us to follow him. Many say that a journey begins with the first step, but it actually begins with a lean. We must shift our weight toward the direction we intend to go before we can even take the first step. This book encourages us to lean toward the simple steps of following Jesus outlined in Hebrews 6:1-3. These elementary steps are the key to a strong and simple journey with God. Ben Pasley is known for the creation of the popular Enter The Worship Circle series of tribal-folk recordings, but he also enjoys writing and encouraging people as love-pioneers. His leadership in the Kingdom IQ training school is helping believers discover a whole new way of life. He resides at 8,500 feet above sea level in Colorado with his wife, two children, woodworking shop, and fly fishing gear.
