In Danger: A Pasolini Anthology Pier Paolo Pasolini

Pier Paolo Pasolini (1922–1975) was a major cultural figure in post-WWII Italy, well-known as a poet, novelist, communist intellectual, and filmmaker. *In Danger* is the first anthology in English devoted to his political and literary essays, with a generous selection of his poetry. Against the backdrop of post-war Italy, and through the mid-'70s, Pasolini's writings provide a fascinating portrait of a Europe in which fascists and communists violently clashed for power and where journalists ran great risks. The controversial and openly gay Pasolini was murdered at the age of fifty-three; *In Danger* includes his final interview, conducted hours before his death.
