Los ultimos de cuba (La quinta columna) (Spanish Edition) Carlos Fuentes Brito

La historia de la emigración canaria a Cuba es el guión infinito de una gran tragicomedia. Una ópera humana en la que desde finales del siglo XIX no faltan héroes ni villanos, y en la que abundan risas, música y llantos. En cada pueblo de Canarias, casi en cada casa isleña, sobreviven retazos de la memoria de quienes se fueron buscando un futuro de riqueza y prosperidad océano a través. En barcos de pobre. Muchos emigrantes nunca volvieron a la tierra en que nacieron. Fueron sus familias, rotas por las olas bravas del Atlántico, las que guardaron los recuerdos y las ausencias en las gavetas oscuras del olvido para lograr sacar la cabeza del agujero de la nostalgia. Los últimos de Cuba reúne una serie de reportajes realizados por el autor durante sus viajes a la isla antillana.
