Jane Stiles is successful in business but bored with her socially mundane existence. One night at a party, she meets an intense and compelling stranger named Luke. This fateful encounter prompts her predictable life path to veer into uncharted territory, sweeping her along on a frightening erotic journey into the world of bondage, domination and submission.

Jane had never experienced genuine desire, and now passion consumes her life, robbing her of free will. Her new lifestyle creates an emotional chasm between her and her old friends. Will they understand why she has abandoned her high ideals and long-term plans for a traditional wedding?

What society considers right or wrong no longer matters. Prepared to surrender everything to Luke, she wonders if her everything will be enough. She now needs his discipline as much as she craves his love and approval. How far down this dark path is she willing to go?

Jane's pilgrimage into domination and discipline has created a war between her mind and her body, and her body is claiming victory.

Dark erotic suspense, not romance.
