Eddy Current is insane. At least that's what the world deems him to be. The very same world he intends to save. A window of opportunity opens, literally, allowing our hero to escape the asylum he calls home. Bed-check isn't until 6 am, giving him 12 hours of freedom to accomplish his hero-given quest. Joined by a massive wall-of-a-woman called Nun, Eddy will live an adventure-filled with the depths of humanities darkest crevices, as well as the heights and power of friendship and redemption. This volume features all 12 issues, plus unused art, and a slew of extras. Collected under one cover for the first time!
