The Chalice of Magdalene: The Search for the Cup That Held the Blood of Christ

Graham Phillips

The Chalice of Magdalene: The Search for the Cup That Held the Blood of Christ Graham Phillips
Reveals the discovery of an artifact that many experts believe may be the Holy Grail

- Traces the journey of the Grail from the Holy Land to Rome and eventually to a ruined chapel in Shropshire, England
- Uncovers new evidence identifying the historical King Arthur and his connection to the Holy Grail

The popular Arthurian stories of the Middle Ages depict the Holy Grail as Christ's cup from the Last Supper, which was believed to have been endowed with miraculous healing powers and the ability to give eternal life to whoever drank from it. A much earlier tradition, however, claimed the Grail was the vessel used by Mary Magdalene to collect Christ's blood when he appeared to her after rising from the tomb. While many vessels were claimed to have been the true Grail, there was only one thought to have been the chalice used by Mary. From Jesus' empty tomb, where it remained for almost 400 years, this holy relic known as the Marian Chalice was taken to Rome by the mother of the first Christian emperor, Constantine the Great. It was then smuggled from Rome in 410 A.D., according to the fifth-century historian Olympiodorus, to save it from the barbarians who sacked the city. Well into the Middle Ages legend persisted that it had been taken to safety in Britain, the last outpost of Roman civilization in Western Europe.

This journey to England, and what happened to the Chalice there, is the focus of this book. Graham Phillips's research uncovers the secret legacy of an ancient noble family over generations and a trail of clues hidden in the English countryside that lead to a mysterious grotto, a forgotten attic, and the lost chalice. In tracing the relic, Phillips offers the inside story behind an astonishing adventure that results in the identification of the historical King Arthur and the location of one of the most powerful symbols in Western tradition.
