Would you fake your own kidnapping to get into a good school? Finn and Chloe have it all figured out. Their school guidance counselor has told everyone that it's not enough to get good grades or do community service anymore - kids like that are everywhere, and colleges are bored of them. So what do you do? Chloe decides they should get attention another way. She and Finn will stage her own disappearance - and then Finn will be the only who finds and saves her. What college wouldn't want them after that kind of attention? It seems like a good plan -- until things start going very wrong.
