The acclaimed and accessible *Hidden in Plain Sight* series showcases the extraordinary contributions made by Aboriginal peoples to Canadian identity and culture. This collection features new accounts of Aboriginal peoples working hard to improve their lives and those of other Canadians, and serves as a powerful contrast to narratives that emphasize themes of victimhood, displacement, and cultural disruption.

In this second volume of the series, leading scholars and other experts pay tribute to the enduring influence of Aboriginal peoples on Canadian economic and community development, environmental initiatives, education, politics, and arts and culture. Interspersed are profiles of many significant Aboriginal figures, including singer-songwriter and educator Buffy Sainte-Marie, politician Elijah Harper, entrepreneur Dave Tuccaro, and musician Robbie Robertson. *Hidden in Plain Sight* continues to enrich and broaden our understandings of Aboriginal and Canadian history, while providing inspiration for a new generation of leaders and luminaries.
