**Historia mínima de la transición democrática en México (Spanish Edition)** José Woldenberg

En esta obra, José Woldenberg plantea que México vivió una auténtica transición democrática entre 1977 y 1996-1997, periodo durante el cual las principales fuerzas políticas del país fueron capaces de desmontar un régimen autoritario de gobierno y construir los pilares de una germinal democracia. Se trata de una historia que se recrea de manera puntual, recuperando los episodios centrales de ese proceso y ofreciendo una lectura integral y armónica de los años que modificaron de manera radical el rostro político del país. Texto de fácil lectura para la comprensión de una etapa de nuestra vida política que aún hoy sigue estando sujeta a las más diversas y encontradas interpretaciones.
