Jacked: The Outlaw Story of Grand Theft Auto David Kushner

Inside the making of a videogame that defined a generation: *Grand Theft Auto*

Grand Theft Auto is one of the biggest and most controversial videogame franchises of all time. Since its first release in 1997, *GTA* has pioneered the use of everything from 3D graphics to the voices of top Hollywood actors and repeatedly transformed the world of gaming. Despite its incredible innovations in the \$75 billion game industry, it has also been a lightning rod of debate, spawning accusations of ethnic and sexual discrimination, glamorizing violence, and inciting real-life crimes. *Jacked* tells the turbulent and mostly unknown story of *GTA*'s wildly ambitious creators, Rockstar Games, the invention and evolution of the franchise, and the cultural and political backlash it has provoked.

- Explains how British prep school brothers Sam and Dan Houser took their dream of fame, fortune, and the glamor of American pop culture and transformed it into a worldwide videogame blockbuster
- Written by David Kushner, author of *Masters of Doom* and a top journalist on gaming, and drawn from over ten years of interviews and research, including firsthand knowledge of *Grand Theft Auto*'s creators and detractors
- Offers inside details on key episodes in the development of the series, including the financial turmoil of Rockstar games, the infamous "Hot Coffee" sex mini-game incident, and more

Whether you love *Grand Theft Auto* or hate it, or just want to understand the defining entertainment product of a generation, you'll want to read *Jacked* and get the real story behind this boundary-pushing game.
