Book 2 in the Nemesis series. She's a strong woman who runs her own high-profile security and protection agency. He's a burned-out agent with Mossad, on a personal crusade. But when Adam Molloy saves Nicole Welles' life at a Mexican resort, circumstances bind them together. Not to mention an instant chemistry so hot it rivals the Mexican sun. One predatory kiss and Nicki's body melts. They may be after drug dealers and killers, but there's plenty of time for powerful orgasms and inventive erotic activities. It's soon evident that her would-be killer and Adam's crusade intersect. The chase takes them from the Yucatan Peninsula to Washington, D.C., to a private island in the Bahamas. And the sex takes them to a new level of physical pleasure. As they scramble to escape danger and catch the killers before they strike again, the couple is determined to also make their pleasure last until midnight and beyond—and many midnights thereafter.
